Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

C I Waggoner is bordered by Waggoner Park on the East side of the school. In addition, Waggoner Park is bound by Lakeshore Drive and Carver Road. Kyrene School district is currently in negotiations with the City of Tempe to acquire a portion of Waggoner Park, which houses playground equipment, a swing set, soccer field, and basketball courts. These park amenities are used as the primary recreation areas, Monday through Friday, by C I Waggoner Elementary School. Currently there are no safety barriers provided to prevent children from running onto the busy streets and on coming traffic (ie. for a kicked ball) nor, is there a system in place to control access to the playground during school hours for non-registered school visitors or those who might seek to do harm to children. To install a 6' safety/security fence is estimated at \$47,500.
